## Experience

### YSDN Grad Showcase — Executive Director of Brand Identity

September 2020 – April 2021

Currently working as the Executive Director of Brand Identity for YSDN's 2021 virtual grad show. My role involves leading a team of students in creating the brand identity for the grad showcase and acting as an content advisor to ensure the brand is being well-represented across all content creation.

### Beehive Design — Graphic Design Intern/Freelance Designer

May – July 2020

Designed remotely alongside the Creative Director to help create brand identities and content for a variety of clients. My role as an intern and designer involved researching and concept ideation for e-commerce platforms and brand systems.

### Sheridan College Office of Sustainability — Graphic Designer

January – May 2020

Worked independently as a lead designer to create the office's 2020 annual report. My role as a designer includes layout design, illustration, data visualization and typesetting.

### Ten Thousand Villages Canada — Sales Associate

April 2018 – November 2019

Gained customer service and communication skills as a part-time sales associate and key holder. Responsibilities included: opening and closing the store, processing cash transactions and supervision over the store/employees.
